## **1 Defined terms and Interpretation.**

- 1.1 The content of the MA Contract shall be interpreted in accordance with this Condition 1.1. The only exception will be where any individual condition or paragraph states specifically that it should be interpreted differently, in which event that individual condition or paragraph shall be interpreted as specifically stated in that condition or paragraph.
- 1.2 Terms in the MA Contract starting with a capital letter shall have the same meanings as those set out in Appendix 1 to the Conditions;
- 1.3 Condition, schedule, appendix and paragraph headings shall not affect the interpretation of the MA Contract.
- 1.4 A person includes a natural person, corporate or unincorporated body (whether or not having separate legal personality).
- 1.5 A reference to a company shall include any company, corporation or other body corporate, wherever and however incorporated or established.
- 1.6 Words in the singular shall include the plural and vice versa.
- 1.7 A reference to a statute or statutory provision is a reference to it as it is in force for the time being, taking account of any amendment, extension, or re-enactment and includes any applicable legislation made under it that is in force at the relevant time.
- 1.8 A reference to writing or written excludes faxes and email. The only exception to this is where any Condition or paragraph in the MA Contract specifically states that a reference to writing or written has a different meaning, in which event that alternative meaning shall apply in relation to that Condition/paragraph only.
- 1.9 Any obligation in the MA Contract on a person not to do something includes an obligation not to agree or allow that thing to be done.
- 1.10 Where any document has been varied or novated under the terms of the MA Contract, any reference to that document will be deemed to be to that document as it has been varied or novated. Any reference to any rights that we have under the MA Contract also applies to any agent of ours that may be exercising the relevant right, and both parties shall construe the provision accordingly.
- 1.11 Where the MA Contract refers to any document or policy contained on the SDS Provider Web Pages or such alternative website, SDS reserves the right to amend, remove or replace such document or policy, and the reference is to the document or policy as may be amended, removed or replaced by SDS from time to time.
- 1.12 Where there is any conflict or inconsistency between or among the provisions of the MA Contract, such conflict or inconsistency shall be resolved according to the following descending order of priority:-
  - 1.12.1 not used;
  - 1.12.2 any document signed by us strictly in accordance with the terms of the MA Contract, approving any variations;
  - 1.12.3 the Letter of Award;
  - 1.12.4 the Microsoft licensing terms and conditions that apply to each User Access set out in the FIPS pages of the SDS Provider Web Pages;
  - 1.12.5 the remaining terms of the FIPS Software User Access terms and conditions set out in the FIPS pages of the SDS Provider Web Pages;
  - 1.12.6 any other end user terms and conditions relating to use by you or your Staff of any other software/systems that SDS requires you to use in performing the Services;

- 1.12.7 the main Conditions;
  - 1.12.8 any attachment to the main Conditions (including Appendices);
  - 1.12.9 the Specification
  - 1.12.10 any attachment to the Specification;
  - 1.12.11 the applicable Contract Schedule;
  - 1.12.12 the ITT;
  - 1.12.13 your ITT Response
- 1.13 Any reference to the words 'include' and 'including' shall be interpreted without limiting the meaning of any of the words set out before it.
- 1.14 Where we have a right to do, accept, approve or agree to something, or a right not to do, accept, approve or agree to something, or any similar right, the decision whether to exercise that right is entirely ours. Any exception to this will be specifically set out in the relevant Condition or paragraph in the Conditions, Specification or ITT.
- 1.15 Unless we specifically state otherwise, where a Provider holds consecutive contract schedules for modern apprenticeship services with SDS whether under this MA Contract, and/or immediately preceding and/or following this MA Contract, when calculating any period referred to in the MA Contract, the period shall be deemed to span continuously across respective contract schedules (e.g. quarterly review periods as detailed in the Specification will continue uninterrupted from one contract schedule to the next contract schedule).

## **2 The MA Contract**

- 2.1 The MA Contract is made up of the Contract Documents and each Contract Schedule (if any).
- 2.2 You will provide the Services to our reasonable satisfaction and you will act at all times in a diligent and professional manner. The Services must fully meet all the requirements set out in the MA Contract, and where any part or parts of the MA Contract have been varied under the terms of the MA Contract, the Services must fully meet all the requirements set out in the MA Contract, as they have been varied.
- 2.3 You must ensure that the MA Programme standards and Qualifications conform to your ITT Response at all times including any variations agreed in accordance with Condition 6.
- 2.4 You will provide the Services on the dates set out in the MA Contract and, unless we specifically state differently in the Contract Documents, time of delivery or performance shall be of the essence of the Contract.
- 2.5 You are and must at all times act as, an independent contractor. You are not our employee, agent or representative and you have no authority to act on our behalf. You will not act in any way which would give the impression that you are our employee, agent or representative and will not incur any liability on our behalf nor enter into any contracts or agreements on our behalf. Save to the extent specifically provided in the MA Contract, you specifically acknowledge that you are not the exclusive provider of Services to us nor are we your exclusive client.
- 2.6 The Conditions are set out in this document and are subject to amendments we may implement from time to time. The version applicable at any given time can be found by linking through the NTP pages of the SDS Provider Web Pages.
- 2.7 You acknowledge that we rely on your skill and judgment in the supply of the Services and your obligations under the MA Contract.

## **3 Provider's Appointment**

- 3.1 We appoint you as a provider of Services in respect of the MA Programme, details of which are described in the Specification, the Conditions and each applicable Contract Schedule.

- 3.2 You agree and accept that in entering into the MA Contract (including your acceptance of each Contract Schedule forming part of the MA Contract):-
- 3.2.1 you have received all the information you require in order to determine whether you are able to provide the Services in accordance with the MA Contract (as each document may have been formally varied in accordance with the Conditions); and
  - 3.2.2 you are deemed to have satisfied yourself in relation to all matters connected with the Services and in regard to your ability to meet all requirements of the MA Contract.

#### **4 Duration of the MA Contract**

- 4.1 The MA Contract (including the initial Contract Schedule) shall commence on 1 April 2024 (or if we insert a later date in your Letter of Award, that later date) and apply for the period until 31 March 2025.
- 4.2 We are entitled at any time during the term of the MA Contract to extend the contract term from its original expiry on 31 March 2025 until 31 March 2026, and if we do extend the term until 31 March 2026, we shall be entitled at any time after 31 March 2026 to further extend the contract term from 1 April 2026 until 31 March 2027. Details of any extension will be provided to you by email from us. However, and in accordance with Condition 5.1, each Contract Schedule shall expire at the date referred to in the Contract Schedule (or sooner if the MA Contract is terminated) and shall not therefore extend with any extension of the MA Contract under this Condition 4.2. Condition 5 below applies in relation to Contract Schedules.

#### **5 Contract Schedules and Contribution Rates**

- 5.1 Each Contract Schedule shall expire at the date referred to in the Contract Schedule (or sooner if the MA Contract is terminated earlier) and shall not be extended under any circumstances, including under Condition 4.2. The criteria for awarding volumes of new Starts in any new Contract Schedule in any extension period under Condition 4.2 are set out in the ITT. In the event that SDS is awarding you volumes of Starts and/or value in respect of Starts and/or Apprentices who are In-training Apprentices in any extended period of the MA Contract referred to in Condition 4.2, we shall send you our offer to enter into a Contract Schedule for the applicable period.
- 5.2 Volumes of Starts and or value that are referred to in each Contract Schedule agreed pursuant to the MA Contract are allocated for the period referred to in the Contract Schedule and cannot be transferred by you from one Contract Schedule into any subsequent Contract Schedule, or to any other contract, including any Contract Schedule under any subsequent MA contract you may enter into with us. Only we can insert Start volumes, expenses value and overall contract value in any subsequent Contract Schedule awarded.
- 5.3 The contribution rates payable for Starts and In-training Apprentices are set out in Appendix 1. Those applicable rates shall accordingly be the rates we consider when we calculate the value payable to you in relation to each individual Apprentice who is a Start or an In-training Apprentice under any subsequent Contract Schedule(s). As such, different contribution rates may require to be taken into consideration when we calculate the value payable to you under the same Contract Schedule for the same MA framework.

- 5.4 Subject to you remaining compliant at all times with the terms of the MA Contract, we shall on the expiry or sooner termination of each Contract Schedule, offer you a further Contract Schedule (or Contract Schedules, as applicable) under this MA Contract (or any replacement MA contract we may introduce on the expiry or sooner termination of this MA Contract) in respect only of each In-training Apprentice. (This does not affect your rights to apply for any volumes of new start apprentices under any new award procedure that we may be operating at any time). Other than our undertaking to maintain the same contribution rate for the duration of an Apprentice's MA framework set out in Condition 5.3, the terms and conditions that apply in respect of the Contract Schedules for In-training Apprentices shall be the general MA contract terms that prevail during the period of each such Contract Schedule, whether under the current MA Contract or any replacement MA contract we may introduce on the expiry or sooner termination of this MA Contract.
- 5.5 You shall require to accept the terms of any Contract Schedule you receive from us, within such period, and in accordance with such process, as we shall specify when we send you the Contract Schedule offer. If you fail to accept the terms of the Contract Schedule in accordance with the requirements, your offer shall be deemed to have been withdrawn by us.

## **6 Variations**

- 6.1 We may amend the MA Contract at any time. The amended contract terms will come into force as follows:-
- 6.1.1 in respect of changes that apply to all MA contracted providers, from the date that providers are advised of the changes. We may contact you directly to confirm the changes or we may post the changes on the SDS Provider Web Pages;
  - 6.1.2 in respect of changes solely to any Contract Schedule, on the date we advise you of the changes, in writing, which shall include email.
- 6.2 Without limiting the scope of the provisions that we may change, we anticipate that changes are most likely to relate to:-
- 6.2.1 Apprentice eligibility criteria;
  - 6.2.2 periodical review of Apprentices' progress;
  - 6.2.3 financial contributions corresponding to any volume changes;
  - 6.2.4 Apprentices transferring from other MA service providers;
  - 6.2.5 travel, subsistence and/or lodging allowance we may offer;
  - 6.2.6 evidence requirements, where reasonably required to ensure that SDS can properly monitor provider compliance with the MA Contract;
  - 6.2.7 changes reasonably required as a direct or indirect result of any change in Data Protection Legislation and/or other change in law;
  - 6.2.8 the Apprentice and employer verification requirements, administrative procedures and information required to be inputted to FIPS;
  - 6.2.9 the terms we use to describe the MA Programme and any of the components, e.g. 'apprenticeship', 'modern apprentice', modern apprenticeship';
  - 6.2.10 not used;
  - 6.2.11 conditions impacted by policy change required by Scottish Government, and/or adjustments in budget available to SDS;

- 6.2.12 other variations to volumes and/or value deemed appropriate by us in accordance with our rights under the MA Contract, in respect of your failure to meet any Performance Level and/or any other requirement of the MA Contract; and/or
- 6.2.13 any other areas of potential change identified in the ITT that relate to allocation of volumes for any extended duration of the contract.

Any such variation to any MA Contract provision may include whole or partial additions, omissions (withdrawal), replacements or alterations of such provision.

- 6.3 You must promptly alert an SDS Contract Executive by email in the event that you have no reasonable prospect of fulfilling your undertakings under the MA Contract relating to:-
  - 6.3.1 the contracted volumes for Starts; and/or
  - 6.3.2 the contracted value set out in the MA Contract.

This does not cancel or reduce your obligations to meet your contracted commitments and does not prevent or restrict us from exercising any of our rights and remedies.

- 6.4 Not used.
- 6.5 You may propose amendments to your ITT Response at any time, but no amendment to your ITT Response shall be valid for any purpose unless we have agreed to it in writing in the form of an email from an SDS Procurement Manager.
- 6.6 Not used.
- 6.7 Variations to the MA Contract which do not meet the requirements of this Condition 6 or the Specification shall not be permitted.
- 6.8 You are responsible for ensuring that the services referenced within your ITT Response meet the standards and Qualifications set out in this MA Contract at all times, including any variations to your ITT Response that have been implemented in accordance with the requirements of this Condition 6 or the Specification (as applicable).

## **7 Provider Personnel**

- 7.1 You shall at all times, ensure that:-
  - 7.1.1 each of your personnel is suitably qualified, adequately trained and capable of providing the part(s) of the Services each individual is engaged in; and
  - 7.1.2 there is an adequate number of personnel to provide the Services properly.
- 7.2 You shall remove any of your personnel from the provision of any or all parts of the Services that we may specify, where we decide that the individual has failed to carry out their duties with reasonable skill and care. We shall always act reasonably when we consider an individual's performance and conduct. Following the removal of any of your personnel from the delivery of the Services for any reason, you shall ensure that the person is replaced promptly with another person with the necessary training and skills to meet the requirements of the Services.

## **8 FIPS and other SDS software/systems**

- 8.1 In carrying out your obligations under the MA Contract, you shall meet all our information technology requirements (including the Information Security Policy attached at Appendix 4 to these Conditions) for processing claims and other information we specify from time to time. We may vary our information technology requirements at any time in line with the development and updating of our systems. Any such changes will be circulated in accordance with Condition 6.1.1.
- 8.2 Not used.
- 8.3 Funding for each MA Programme will be administered through FIPS in accordance with our requirements.

- 8.4 You must at all times, through duly authorised and appropriately qualified staff, complete and keep up to date, accurate information relating to each Apprentice required by FIPS. Without prejudice to any other timeframe expressly referenced in the Specification and/or Conditions, you will be in breach of this condition 8.4 where any required FIPS input (or required update, as applicable) has not been made within 28 days. You must also comply at all times with our FIPS guidance which is available on the FIPS pages of the SDS Provider Web Pages. <https://www.skillsdevelopmentscotland.co.uk/learning-providers/fips-funding-information-and-processing-system>. This guidance may be amended by us from time to time.
- 8.5 In order to use FIPS as set out in the MA Contract, you must maintain a User Access for each user of FIPS for the period of the MA Contract (and any longer period you may require, to process all claims for payment and submit required evidence under the MA Contract). We shall provide you with the information relating to User Access including the terms and conditions and charges that apply, and guidance on the process for requesting/granting/amending User Access through direct communications with you or, if we choose to do so, in the FIPS pages of the SDS Provider Web Pages. Further conditions or guidance may also be set out in your Letter of Award.
- 8.6 In the event that SDS requires you to use any other software/systems when performing the Services, you shall supply such information to SDS as we may reasonably require to facilitate access to the software/systems. In addition you shall ensure that (i) you promptly notify SDS of any changes where the information is no longer accurate (ii) you and your Staff who may have access to the software/systems comply at all times with any end user conditions that may be made available to you in relation to such software/systems, and (iii) you notify SDSQualityAssurance@sds.co.uk immediately in the event of any failure by you and your Staff to comply with any such conditions.

## **9 Claims and Payment Arrangements**

- 9.1 We shall pay you for the Services you perform fully in accordance with the terms of the MA Contract. Payments for Services shall be paid in accordance with the Payment Plan, and for expenses and any applicable rural uplift, in accordance with the relevant arrangements set out in the Specification. We shall only be required to pay you up to the total values for respectively, Services and permitted expenses, that are set out in the Contract Schedule in force, notwithstanding the fact that the cumulative value of all respective claims under any amended Payment Plan may exceed those values. We accordingly reserve the right (i) not to accept claims into FIPS that (aggregated with the value of all of your other claims) exceed the relevant value set out in the Contract Schedule, and/or (as applicable) (ii) to reject any such claims. We are not obliged to amend the respective values within the Contract Schedule to reflect updated Payment Plans, where such amendment would result in any of the respective Contract Schedule values increasing. To the extent that the Payment Plan is amended at any time under any of the Conditions, each reference to the Payment Plan within the MA Contract, and any operational documents referenced within the MA Contract shall be deemed to be to the duly amended version with effect from the date of amendment. The contribution rates payable for the Services shall be as stated in the Contract Documents and (subject only to any express provisions relating to any additional expenses or uplift) shall be deemed to be inclusive of any and all expenses and charges. Subject to section 4.3.4 of the Specification, and to this Condition 9.1, we will pay you within 30 days of our receipt from you of each claim that you submit to us fully in accordance with the terms of the MA Contract.
- 9.2 Each claim for payment must be submitted in accordance with the FIPS requirements and must also be submitted no later than the date occurring 90 days after the date of Achievement of the Milestone to which the claim relates (and for expenses claims and any applicable rural uplift, within the period set out in the Specification). For the purposes of this Condition, 'Achievement' means:-
- 9.2.1 for each Milestone relating to a Summary of Achievement Record (SOAR), the latest date of signature on the SOAR;

- 9.2.2 for each Milestone relating to a Quarterly Progress Review (QPR), the latest date of signature on the QPR; and
- 9.2.3 for each Milestone relating to a MA outcome, the date the awarding body confirms to you that the MA certificate has been approved.

so, where FIPS asks you to 'Select the evidence date of the claim...' you require to enter the date corresponding to the above.

- 9.3 To be clear, SDS reserves the right not to pay any claim that is submitted outwith the requirements of Condition 9.2 (including any requirements in the Specification that are referred to in that Condition). You should also note that Condition 9.2 does not cancel or reduce or otherwise supersede the performance level set out in Condition 10.5.4 (inactivity measured by period between claims), which is a separate measure.
- 9.4 Where a Provider submits any claim for payment later than the date permitted under Condition 9.2 (or referred to in the Specification), SDS reserves the right to withhold payment of all or part of the claim, or where the claim (or part of the claim) has been paid, recover all or part of such payment.
- 9.5 Where we approve the transfer of an Apprentice under paragraph 4.8 of the Specification (approval to transfer an Apprentice to a replacement provider), we may adjust the contribution rate (to a lower rate) and associated Payment Plan for each Milestone that can be claimed by the replacement provider during the remainder of the Apprentice's apprenticeship. Any adjustment is intended to reflect the extent of Services required to be performed by the replacement provider, relative to the Services already provided by the original provider, to enable the Apprentice to achieve the relevant Milestone. To be clear, where you are the replacement Provider under the MA Contract, the rate, as adjusted, shall apply in respect of the remaining Milestones. Our decision on any such adjustment shall be final.
- 9.6 Subject to any variations we may agree under the variation procedures set out in these Conditions, and to Condition 9.1, you shall throughout the period of the MA Contract, provide the Services in the volumes, outputs of activity, financial profiles, minimum achievement rate and quality of delivery set out in the MA Contract.
- 9.7 You shall ensure that any measures applied to comply with your Workforce Matters obligations are not directly or indirectly detrimental to any employee's other entitlements, benefits and conditions. We may examine appropriate evidence of your compliance with your Workforce Matters obligations including the activity you undertake to promote the benefits of Workforce Matters to MA Employers. You shall make all relevant evidence available to us promptly following any request from us.
- 9.8 If we include any expenses in the MA Contract, you must not exceed those expenses without our prior written approval. Any approval we give shall only be valid if it is set out in an email from your Contract Executive or confirmed by us within FIPS. Your attention is drawn to paragraph 2.8.3 of the Specification which sets out the period within which all claims for travel and subsistence must be submitted to SDS and to our rights set out in this Condition 9 if you fail to claim any expenses within the permitted period.
- 9.9 You shall pay us the charge that applies for each User Access we make available to you. The charges, terms and conditions, guidance and other information relating to User Access are available on the FIPS pages of the SDS Provider Web Pages. We may withdraw FIPS from service temporarily when we need to undertake maintenance or upgrading work. We are entitled to invoice you for each User Access at any time after we assign the User Access to you and thereafter invoices shall be issued annually for the period 1 April to 31 March in each year. You must pay each invoice within 30 days of the date of issue of the invoice. If you fail to pay any invoice (or part of any invoice) in accordance with this Condition 9.9, we may offset the shortfall against any sums we owe you.

- 9.10 You must promptly and without undue delay, obtain and collate all supporting evidence required under the MA Contract, including all signatures required on documents. You cannot submit any claim until you are in possession of all the evidence set out in the Specification and the Conditions for that claim. For Milestone claims, you must also have properly fulfilled all required Services relating to the Milestone. You must submit all claims for payments through FIPS. Where you have not made all the required evidence available to us (or our agents) on request, and/or you are unable to demonstrate to our reasonable satisfaction that all of the required evidence was in your possession at the date you submitted the claim on FIPS, we shall not be obliged to pay you for the claim to which that required evidence relates and we may recover any payment that we have made in relation to such a claim. We shall not accept any evidence other than the evidence referred to in the Specification and the Conditions as support of a claim.
- 9.11 We shall be entitled to withhold any payment claimed until we are satisfied that the supporting evidence is authentic, accurate and suitable. We may therefore conduct an audit of the supporting evidence and we may require you to submit additional evidence where reasonably required, to demonstrate the authenticity and/or accuracy of the evidence you have made available. Any audit will be conducted in a manner we believe to be appropriate, and we may use agents. Payment of any claim (whether an audit is undertaken or not) does not mean that we have satisfied ourselves that the supporting evidence is authentic, accurate or suitable. Where we are not satisfied that the evidence meets these requirements you will be in breach of the Conditions and we reserve our rights (including our right to recover any payments made) in that regard. To the extent that any required evidence is missing, incomplete or illegible, (and irrespective of whether such evidence is in original or where applicable, copy format), such evidence shall not meet the requirements of the MA Contract, and SDS reserves the right to reclaim any and all payments made in reliance on any such evidence, or to reject any unpaid claim to which any such evidence relates.
- 9.12 You must at all times be a financially viable organisation and have robust financial systems in place. If we ask you at any time, you must:-
- 9.12.1 provide all financial and/or other information we may request, which may include the latest set of your audited accounts or such other information as we may reasonably require to enable us to assess your continuing financial viability and your ability to continue to perform your obligations under the MA Contract;
  - 9.12.2 get any financial and/or other information that you provide to us under the MA Contract certified by an independent accountant or equivalent and provide evidence to us of that certification, or equivalent;
  - 9.12.3 obtain and provide to us, industry recognised credit reports relating to you to enable us to assess your continuing financial viability and your ability to continue to perform your obligations under the MA Contract; and
  - 9.12.4 obtain and provide to us a report, by an independent accountant or equivalent, on the financial systems and controls you operate in respect of monies you receive for the purposes of the MA Programme.
- 9.13 Provided always that you have met and continue to meet all your obligations under the MA Contract, and that the relevant Apprentice confirmation/validation referred to in paragraph 4.3.4 (Validation) of the Specification has been received by us in accordance with our requirements, we will pay you the sums due in accordance with the provisions set out in the MA Contract. All payments made under the MA Contract are inclusive of any VAT that applies.
- 9.14 We do have rights to withhold and recover payments from you. These are set out in Condition 23.
- 9.15 You cannot make any charge of any nature to any Apprentice or proposed Apprentice, or former Apprentice, in respect of the MA Programme, whether before, during or after the individual's participation in the MA Programme. (To be clear, this means you cannot charge any Apprentice any charge for, or costs or losses incurred as a result of, an Apprentice's early departure from their MA Programme).

9.16 You are requested to address complaints regarding late payment of claims to [procurement@sds.co.uk](mailto:procurement@sds.co.uk) or such alternative address as we may specify from time to time.

## 10 Performance and Award

- 10.1 You must meet the minimum Performance Levels set out in Condition 10.5 below when performing the Services. Where you fail to meet any Performance Level, the consequences (if any) set out in Condition 10.5 below shall apply. Your attention is drawn to Condition 33.3 which provides that the consequences set out below represent only one option available to us, and do not prevent or restrict us from exercising any other right or remedy that we may have, (including any reallocation and/or further award under this Condition 10).
- 10.2 You shall promptly provide all information we may request from you from time to time, in order to measure your compliance with the Performance Levels.
- 10.3 We will from time to time evaluate the number of Apprentices that have Started under your current applicable Contract Schedule against the number of Apprentices contracted to Start under that Contract Schedule. Where there is a shortfall we may reallocate the volumes in accordance with the variation provisions within these Conditions.
- 10.4 You shall provide all the records and management reports summarising your achieved Performance Levels that we may request from time to time. You shall do this within the timescales that we state.
- 10.5 The Performance Levels set out in this condition 10.5 apply.
- 10.5.1 Performance Level No.1 – Fulfilment of Contracted Starts

<p><b>Performance level Action / Measurement Period</b></p>	<p>You shall ensure that at the end of each of the following Measurement Periods, the number of Apprentices entered onto FIPS as new Starts, measured as a percentage of the total number of the new Starts awarded for each whole Contract Schedule, exceeds the following:</p> <p><b>Measurement Periods</b></p> <p>Active Financial Period 1-5 (inclusive of periods 1 to 5) – 28%</p> <p>Active Financial Period 1-7 (inclusive of periods 1 to 7) – 60%</p> <p>Active Financial Period 1-10 (inclusive of periods 1 to 10) – 86%</p> <p>Active Financial Period 1-12 (inclusive of periods 1 to 12) – 100%</p> <p>When calculating the number of new Starts, only those that have been entered:-</p> <ul style="list-style-type: none"> <li>- fully in accordance with the requirements of the MA Contract, and</li> <li>- since the commencement of the applicable Contract Schedule shall be included.</li> </ul> <p>If the total volume of new Starts awarded to you under the applicable Contract Schedule is amended in</p>

	accordance with the variation procedure set out in these Conditions, the formula in this Condition 10.5 will be applied to the volumes, as amended, from the relevant amendment date.
<b>Failure by you to meet Performance Level – Consequences</b>	If you fail to meet the relevant Performance Level requirements in any Measurement Period we may remove volumes of potential new Starts awarded pursuant to the applicable Contract Schedule which are not already registered as 'Starts' under FIPS.

### 10.5.2 Performance Level No.2 – Fulfilment of Contracted Spend

- 23.2.2.2 suspend your appointment under the MA Contract and any other contract you have entered into with us. Except where it may not, in our reasonable opinion, be appropriate to do so, we will give you written notice if we are going to suspend your appointment, and shall set out the date the suspension will start. We may also include details of the anticipated duration of the suspension in the notice, or advise you about that separately in writing. We may extend the duration of the suspension if we have good reason to do so in order to complete a full investigation. You should note that this would include a right for SDS to suspend issuing any Contract Schedule to you in the event of any extension of the MA Contract;
- 23.2.2.3 suspend your right to access FIPS under the MA Contract and any other contract you have entered into with us, until we have concluded a full investigation of your activities. Except where it may not, in our reasonable opinion, be appropriate to do so, we will give you written notice if we are going to suspend FIPS, and shall set out the date the FIPS suspension will start. We may also include details of the anticipated duration of the suspension in the notice, or advise you about that separately in writing. We may extend the duration of the FIPS suspension if we have good reason to do so in order to complete a full investigation.
- 23.2.2.4 recover from you up to the full amount of all the funding we have paid to you under the MA Contract, which you shall pay immediately. Any funds we recover shall not be repaid to you;
- 23.2.2.5 permanently withhold any or all future payments which we may otherwise require to pay to you, in respect of each Apprentice under the MA Contract, and under any other contract you have entered into with us;
- 23.2.2.6 reduce the volume of Starts and corresponding value we awarded to you under the applicable Contract Schedule (in which event you shall require to promptly sign your acceptance of appropriate amendments to the applicable Contract Schedule as we set out);
- 23.2.2.7 serve a notice on you requiring you to fully correct the breach (if it is capable of being fully corrected). The notice will set out the period for fully correcting the breach, which period shall not be longer than 28 calendar days. If the breach has not been fully corrected by the end of the specified period, we may then terminate the MA Contract and/or any other contract you have entered into with us (or part of the MA Contract, or any other contract) under Condition 21; and/or
- 23.2.2.8 require you to agree to an action / improvement plan (or Quality Action Plan, whichever we indicate) setting out corrective actions you require to take, and the required timescale for completing the corrective actions. If the corrective actions have not been properly completed within the required timescale, or if during the specified period, we are of the reasonable opinion that there is no reasonable prospect of you properly completing the corrective actions within the stated timescale, we may terminate the MA Contract and/or any other contract you have with us.

- 23.3 If an Apprentice fails for any reason to validate all required information in accordance with the requirements set out in paragraph 4.3.4 of the Specification within the timeframe we have specified, we may suspend the Apprentice's registration as a Start until the validation requirements have been fulfilled. We may require the relevant validation to be completed within an extension period, if we set one. If the relevant validation is not made within the extended period or if we do not consider it appropriate to extend the period for completing the validation, we shall be entitled to cancel the Apprentice's registration as an Apprentice. To be clear, we have no obligations to you under the MA Contract in respect of (i) any individual until the individual is registered and validated as an Apprentice in terms of the MA Contract, and (ii) any registered Apprentice whose registration as an Apprentice has been suspended or cancelled for any reason. This is the case even if you have provided MA training to that individual.
- 23.4 Where you have submitted a claim before you are entitled to do so, and we have paid the claim, even if the claim subsequently becomes due and we agree that repayment is not required, we shall be entitled to charge interest on the amount of the payment at the statutory rate.
- 23.5 We shall be entitled to deduct from any payments that are due to you under the MA Contract or any other contract you have with us:-
- 23.5.1 any sums you owe us, however and whenever these sums arise; and
- 23.5.2 any sums due to us by any person to whom you have transferred your undertaking except to the extent that SDS has expressly limited your liability in relation to such transfer;
- or if you are not due to make any further claims, or if we otherwise request, you will immediately repay those sums to us.
- 23.6 Where we discover that you have submitted any inaccurate claims for payment to us, we shall be entitled, in addition to requiring repayment of those amounts, to apply extrapolation at the rate of inaccuracy identified and to demand repayment of a proportion of claims which are deemed to have been paid erroneously on the basis of the extrapolation.
- 23.7 Not used.
- 23.8 Where we become aware of any breach of any other agreement which we entered into with you at any time for the provision by you of services relating to modern apprenticeships, and where we believe that you may be committing a similar breach of your MA Contract, we may require you to agree to an action/improvement plan. The process for that is set out in Condition 23.2.2.8;
- 23.9 If you had an MA Contract in force as at 31 March 2024, and an action/improvement plan was in operation or had been requested or otherwise agreed under that contract at the end of that contract, that action/improvement plan undertaking shall continue to apply to you under this MA Contract, unless you receive an email from your SDS assigned Skills Investment Adviser telling you that the action/improvement plan shall no longer apply.
- 23.10 We shall also be entitled to exercise the powers set out in Condition 23.2.2.1 - 23.2.2.3 (SDS rights of suspension) where we reasonably suspect that you are in breach of the MA Contract.

## **24 Consequences of Termination and Expiry**

- 24.1 When we serve any notice on you terminating the MA Contract (or any part of the MA Contract), you shall continue to fulfil all of your obligations under the contract until the date of termination that we set out in the notice, or, if we wish you to stop performing any of the Services before the termination date set out in the notice, you shall stop performing those Services on that earlier date.
- 24.2 We shall not require to pay you for activity you perform after the date of termination, unless you have the prior written agreement of your Skills Investment Adviser that we will make such payments.

- 24.3 Each condition and associated requirement under the MA Contract which states specifically or otherwise implies that it is intended to remain in force after the termination/expiry date shall remain in force after the termination or expiry of the MA Contract. This includes all provisions entitling us to recover sums paid, Condition 13 (in so far as it relates to the prevention or commission of bribery) (Prevention of Bribery and Anti-Slavery and Human Trafficking Laws and Offences), Condition 17 (Safeguard Against Fraud), Condition 18 (Data Protection), Condition 19 (Freedom of Information), Condition 21 (Termination), Condition 23 (Other Remedies), Condition 24 (Consequences of Termination and Expiry), Condition 25 (Liability), Condition 28 (Records, Audit Access and General Assistance), Condition 29 (Confidentiality), Condition 35 (Marketing, Branding and Publicity), Condition 36 (Intellectual Property Rights) and Condition 37 (Transfer of Undertakings), and in each case, all associated provisions set out in any appendices.
- 24.4 On the expiry or earlier termination of the MA Contract or any part of the contract for any reason, you shall provide all assistance that we request. We may include within our request, a requirement for you to delete and/or deliver to any person we identify all documents and data (including all Personal Data you process as a Data Processor under Condition 18, except where applicable UK or EU law requires that you must continue to store the Personal Data in your possession, custody or control relating to the performance of your obligations under the MA Contract), so as to facilitate a smooth and swift winding up of business between you and us.
- 24.5 Following expiry or earlier termination of the MA Contract, you shall not represent that you are contracted to provide training under the MA Programme and you shall not, even if previously permitted to do so, use or continue to use any SDS branding.

## **25 Liability**

- 25.1 Except to the extent that we have limited our liability in Condition 25.2, our total liability to you for any costs and/or losses you incur or suffer in relation to the MA Contract shall be capped at the total charges due to you for performing the Services under the relevant Contract Schedule(s) in relation to which the costs and/or losses have arisen.
- 25.2 In no event shall we limit our liability under the MA Contract for:-
- 25.2.1 Death or personal injury caused by the negligence of us or our staff;
  - 25.2.2 Fraud or fraudulent misrepresentation by us, our staff or representatives.

## **26 Not used**

## **27 Equal Opportunities**

- 27.1 You must ensure that in providing the Services no person receives unlawful treatment contrary to the Equality Act 2010. You will also make sure that anyone acting on your behalf and your employees and Permitted Sub-contractors involved in the MA Contract do not act contrary to the Equality Act 2010, and that those involved in the management or operation of the MA Contract have at all times received appropriate training on anti-discrimination legislation and associated good practice in relation to equality, diversity and inclusion.
- 27.2 You must carry out appropriate monitoring of your equality, diversity and inclusion policies and employment practices and provide us with evidence of this, if we ask.
- 27.3 You will take all reasonable steps to ensure that all Services supplied under the MA Contract are produced and/or performed in accordance with all employment rules and regulations applicable in the UK, and all International Labour Organisation conventions that have been ratified by the country of their origin, in particular (but without limitation) in relation to working conditions and the use of child labour.
- 27.4 Should part or all of the Services be performed at your premises, you will ensure that your premises comply fully with the requirements of the Equality Act 2010.

27.5 Nothing in this Condition 27 cancels or reduces your obligations relating to equality set out in paragraph 3.1 of the Specification.

## **28 Records, Audit Access and General Assistance**

28.1 Not used

28.2 Not used.

28.3 You shall retain, and you shall ensure that your Permitted Sub-contractors retain, full and accurate records and accounts of your operation of the MA Contract including the Services provided under it, and the amounts we pay you, and that you pay your Permitted Sub-contractors under and in relation to the MA Contract. All of these records and accounts shall include the documents, forms and processes that evidence completion of all requirements in the Specification.

28.4 Where the records relate to the provision of Services in relation to any Apprentice, you will do this (and ensure that your Permitted Sub-contractors do this), from the start date of the Apprentice until the date occurring 3 years after the expiry of the Contract Schedule that you have in place at the date the Apprentice is registered on FIPS as having left their MA framework (or any alternative date that we may tell you).

28.5 You shall retain, and shall ensure that your Permitted Sub-contractors shall retain, all other records from the start date of the MA Contract until the date occurring 3 years after the expiry of the MA Contract (as extended, if applicable).

28.6 To be clear, where any previous contract for MA services you have with SDS requires you (and any Permitted Sub-contractors) to retain any then current records, these records must still be retained in accordance with that contract but all such records relating to the provision of Services in connection with any Apprentice will require to continue to be retained by you and your Permitted Sub-contractors until the date occurring 3 years after the expiry of the Contract Schedule that you have in place at the date the Apprentice is registered on FIPS as having left their MA framework (or any alternative date that we may tell you).

28.7 You shall, and shall ensure that each Permitted Sub-contractor shall, keep the records, evidence and accounts referred to in this Condition 28 in accordance with good accountancy practice, the Specification (3.8) and this Condition 28. All records must be retained in an accessible and ordered format. You are permitted (but not required) to destroy any and all Original Records once you are satisfied that each Original Record has been copied and securely retained by you in accordance with SDS's records requirements. Where you elect to retain such copy records rather than Original Records, you shall ensure that you have in place all necessary controls to ensure the quality, legibility, accuracy and completeness of each such copy, and you warrant and undertake to SDS that each copy record you submit or otherwise make available to SDS is a true and accurate copy of the Original Record. Your attention is drawn to Condition 9.11 as regards reliance on such copy records, and to your obligations to ensure that all Processed Data is at all times processed in accordance with SDS's instructions, including instructions relating to destruction of such data which obligation is not affected by this Condition 28.7.

28.8 You shall, and shall ensure that your Permitted Sub-contractors shall, allow us and/or (as the case may be) our Auditors immediate and unlimited access to all the records, evidence and accounts the Auditor may request from time to time for the purpose of auditing your compliance with your obligations under the MA Contract. This access shall at the Auditor's entire discretion, be at:-

28.8.1 your premises (or the premises of your agents or your own auditors, if the records, evidence and/or accounts are ordinarily stored there); or

28.8.2 premises within Scotland identified by the Auditor.

- 28.9 You shall at your entire cost, provide the records, evidence and accounts (together with copies of your published accounts) requested by the Auditor, during the term of the MA Contract and for the further required retention period to the Auditor immediately on request by the Auditor. The provision shall, at the Auditor's entire discretion, be made at your premises (or the premises of your agents, if applicable) or, at such premises within Scotland as the Auditor may specify.
- 28.10 You shall, and shall ensure that your Permitted Sub-contractors shall, immediately following the Auditor's request, provide the Auditor with all reasonable co-operation and assistance in relation to each audit, including:-
- 28.10.1 providing unlimited access to all information requested by the Auditor;
  - 28.10.2 providing unlimited access to sites you or your Permitted Sub-contractors control and to equipment you, or your Staff use in performing the Services;
  - 28.10.3 providing unlimited access to your Staff, representatives, Apprentices, and proposed and former Apprentices; and
  - 28.10.4 providing the Auditor with suitable oral or written explanation as requested.
- 28.11 You shall bear your own costs and expenses incurred in respect of your compliance with your obligations under this Condition 28. If the audit reveals a material breach by you of any of your obligations, and if we request, you shall reimburse us and/or our agents' or representatives' (as applicable) all reasonable costs incurred in relation to the audit.
- 28.12 Where we request, you shall forward all related records, evidence, accounts and supporting documentation you and your Permitted Sub-contractors are required to retain, to us for retention, and you shall complete and sign any documentation that we may reasonably require, confirming the details of the records provided. All records must be in an ordered format, and if requested by SDS or any other Auditor, you must, and shall ensure that your Permitted Sub-contractor (as applicable) shall, complete and deliver the records, and an inventory of the records in such format as shall be provided to you. Where any of the records are in electronic format, you shall, and shall ensure that your Permitted Sub-contractor shall (at your expense) secure any licence for us (and/or our Auditors) that may be required to enable access to the records. Where for any reason, you and/or your Permitted Sub-contractor fail to forward any records, accounts and/or supporting documentation in accordance with any request from us, we shall be entitled to arrange for the transfer and storage directly, and all costs incurred by us in that respect shall be payable by you immediately on demand. Your attention is drawn to Condition 33.3 which provides that this Condition 28.12 does not restrict the options available to us and does not prevent or restrict us from exercising any other right or remedy that we may have, including recovering our costs in the event that SDS exercises any rights under this Condition as a result of your or your Permitted Sub-contractor failure to meet your current (or inability to meet your future) retention obligations under the MA Contract.
- 28.13 Where at any time during the period of the MA Contract, or any subsequent retention period, you are unable to fulfil any of your retention obligations (including your obligations to ensure compliance of Permitted Sub-contractor retention obligations) you shall immediately email your SDS assigned Skills Investment Adviser providing a detailed explanation of the provisions you are unable to fulfil, and the reasons why. This neither cancels nor reduces your obligation to comply with these provisions, nor prevents or restricts us from exercising our rights and remedies as set out in Condition 33.3.
- 28.14 You shall promptly provide all general assistance and information relating to the Services and your business that we may reasonably request from time to time which would:-
- 28.14.1 assist us in responding to requests for information relating to service providers and/or provider services that the Scottish Ministers (or their agents) may request from time to time; and/or

- 28.14.2 assist us and/or the Scottish Ministers (or their representatives) in developing policy for modern apprenticeships or similar programmes.
- 28.15 You shall and shall ensure that your Permitted Sub-contractors shall:-
- 28.15.1 permit our authorised representatives unlimited access to interview Apprentices and to examine all records and all other supporting documentation in particular, evidence of assessment relating to the delivery of training;
  - 28.15.2 provide us with suitable oral or written explanation if requested; and
  - 28.15.3 provide us with access to your Staff for interviews on matters covered by the MA Contract.
- 28.16 The Auditor is entitled at its entire discretion to request you and/or your Permitted Sub-contractors to either:-
- 28.16.1 upload/scan (as appropriate) the requested records, evidence and/or accounts onto FIPS in accordance with any instructions the Auditor may make available; or
  - 28.16.2 email the requested records, evidence and/or accounts to the Auditor at an email address provided by the Auditor.
- 28.17 You shall and shall ensure that your Permitted Sub-contractors shall comply with any request referred to in Condition 28.16 promptly, and within any timeframe required by the Auditor, and ensure that all such records are clear, legible, accurate and complete.
- 28.18 Your obligation to comply with Condition 28.16 does not remove or limit your, or your Permitted Sub-contractor obligation to (i) retain all records, evidence and accounts as required under the Conditions, and (ii) make the original or as applicable, copy records, otherwise available in accordance with this Condition 28.
- 28.19 Any audit conducted by or on behalf of SDS shall be conducted reasonably and proportionately.
- 28.20 Where any audit or other investigation reveals any breach by you of the MA Contract and we are entitled to recover any sums accordingly, you are not permitted to submit (i) any alternative or additional evidence in support of any claim previously submitted, or (ii) any replacement claim.

## **29 Confidentiality**

- 29.1 The MA Contract will not be treated as confidential information and may be disclosed without restriction.
- 29.2 Unless we give you prior written permission to disclose the information in the form of an email from your SDS assigned Skills Investment Adviser confirming the extent of the permission, all information which you obtain from us or which becomes known to you in connection with the MA Contract must be kept secret and only used by you to perform your obligations under the MA Contract. This does not apply to information which is already known to the public.

## **30 Assignment and Sub-contracting**

- 30.1 You shall not assign, novate, sub-contract or otherwise dispose of any of your rights or obligations under the MA Contract without our prior written consent in the form of an email setting out the details of the consent from [procurement@sds.co.uk](mailto:procurement@sds.co.uk). We will not unreasonably withhold our consent. Any assignment or novation will not become effective until the assignment/novation agreement is signed by and a copy delivered to, all relevant parties. All requests for our consent should be sent by you to [procurement@sds.co.uk](mailto:procurement@sds.co.uk).
- 30.2 Where we grant consent to you to sub-contract in accordance with Condition 30.1, we reserve the right to withdraw our consent where we have reasonable grounds no longer to approve of the Permitted Sub-contractor or the sub-contracting arrangement.
- 30.3 In respect of any sub-contracting we have consented to under Condition 30.1:-

- 30.3.1 without cancelling or reducing or otherwise superseding your express obligations to include specific provisions set out in this Condition 30 or otherwise under these Conditions, you shall ensure that so far as is possible, the terms of the MA Contract are properly and reasonably reflected in the terms of each contract you have with a Permitted Sub-contractor and that so far as is possible each Permitted Sub-contractor shall at all times be bound by obligations equivalent to those that apply to you under the MA Contract;
- 30.3.2 you shall include and maintain provisions in a written contract with each Permitted Sub-contractor:-
  - 30.3.2.1 which provide that the Permitted Sub-contractor cannot assign the sub-contract to another party without your consent (and you shall not grant that consent without our prior written consent in the form of an email from [procurement@sds.co.uk](mailto:procurement@sds.co.uk) setting out the details of the consent provided);
  - 30.3.2.2 requiring you to pay the Permitted Sub-contractor all sums due by you to the Permitted Sub-contractor within a specified period not exceeding 30 days from receipt of a valid invoice as defined by the sub-contract requirements;
  - 30.3.2.3 stating that where we have paid you in respect of any of the Services and the Permitted Sub-contractor's invoice relates to those Services then, to that extent, the invoice must be treated as valid and provided you are not exercising a right of retention or set-off in respect of a breach of contract by the Permitted Sub-contractor or in respect of a sum otherwise due, payment must be made to the Permitted Sub-contractor without deduction;
  - 30.3.2.4 which notify the Permitted Sub-contractor that the sub-contract forms part of a larger contract for SDS's benefit and that should the Permitted Sub-contractor have any difficulty in securing timely payment of an invoice, that matter may be referred by the Permitted Sub-contractor to SDS;
  - 30.3.2.5 in the same terms set out in Conditions 30.3.2.3 and 30.3.2.4 and this Condition 30.3.2.5, to ensure that similar provisions are included as between Permitted Sub-contractor and further sub-contractor modified to refer to the correct designation of the equivalent party as you and the Permitted Sub-contractor as the case may be; and
  - 30.3.2.6 as required under Condition 13.3.3 and anywhere else in these Conditions.
- 30.4 We reserve the right to see and approve copies of sub-contracts (which approval shall not to be unreasonably withheld, delayed or conditioned).
- 30.5 No sub-contracting by you whether under this Condition 30 or otherwise, and no approval or consent by us in relation to any sub-contracting shall relieve you of any liability or obligation under the MA Contract.
- 30.6 You shall also include in every Permitted Sub-contract:
  - 30.6.1 a right for you to terminate that Permitted Sub-contract if the relevant sub-contractor fails to comply in the performance of its contract with legal obligations in the fields of environmental, social or employment law, or if any of the termination events (involving substantial modification of the MA Contract, contract award despite the existence of exclusion grounds, or a serious infringement of procurement obligations) specified in Condition 21 occur;
  - 30.6.2 a requirement that the sub-contractor includes a provision having the same effect as Condition 30.6.1 above in any sub-contract which it awards.
- 30.7 For the purposes of Condition 30.3 only, "Permitted Sub-contract" means a contract between two or more suppliers, at any stage of remoteness from us in a sub-contracting chain, made wholly or substantially for the purpose of performing (or contributing to the performance of) the whole or any part of the MA Contract.

- 30.8 In order to avoid any doubt, you cannot substitute or permit the substitution of a Permitted Sub-contractor without our prior written consent and as a condition of giving such consent we can require the incoming sub-contractor to enter into a sub-contract on the same basis.
- 30.9 We shall be entitled, without the need for your consent, to assign, novate or otherwise dispose of our rights and obligations under the MA Contract or any part of the contract to any other body (including any private sector body) which substantially performs any of the functions that previously had been performed by us.
- 30.10 In order to avoid any doubt and without cancelling or reducing or otherwise superseding the scope of the preceding provisions of this Condition 30, the requirements of this Condition 30 shall apply even where you intend to delegate or sub-contract any of your rights or obligations under the MA Contract to a Group Company.
- 30.11 We reserve the right to charge an administration charge to reflect our costs incurred in considering, approving and/or agreeing the terms of any assignment or novation agreed, or (as applicable) considering and/or consenting to any sub-contract arrangement requested after the commencement date of the MA Contract which you shall pay within 28 calendar days of our request. Such costs may include the costs of any compliance checks we require to undertake.

### **31 Change of Your Name**

- 31.1 You shall, no later than 10 calendar days following any change in the name of your company, or your trading name, inform us by emailing [procurement@sds.co.uk](mailto:procurement@sds.co.uk) providing full details of the change.

### **32 Notices**

- 32.1 No notice from either us to you, or you to us, shall be valid under the MA Contract unless it is made in writing by or on behalf of the party sending the communication (which shall include pdf). The only exception to this is where any paragraph in the Specification or any Condition specifically states otherwise, in which event that alternative statement shall apply in relation to that paragraph/Condition only.
- 32.2 Any notice which is to be given by either us to you or you to us shall be sufficiently served if given by letter (sent by hand, first class registered post by the recorded delivery service, or by email). These letters shall be addressed to the other party in the manner referred to in Condition 32.3. Under exception of notices sent by email, provided the relevant communication is not returned as undelivered, the notice or communication shall be deemed to have been given (i) if delivered by hand, at the time the notice is left at the proper address or (ii) if sent by first class registered or recorded delivery post, two Business Days after the date of posting, or in each case, sooner where the other party acknowledges receipt of such letter. Any email notice that has been sent in accordance with this Condition 32 shall be deemed to be delivered at 9am on the first Business Day after sending (or sooner where the other party acknowledges receipt of such email) notwithstanding that it may be returned as undelivered, or blocked or otherwise not received by the addressee.
- 32.3 For the purposes of Condition 32.2 the respective address for each party shall be as follows:-
- 32.3.1 For hand delivered and postal notices to us, at our registered postal address posted on the UK Companies House website as at the date of the notice, or for email notices at [procurement@sds.co.uk](mailto:procurement@sds.co.uk);
- 32.3.2 For hand delivered and postal notices to you where you are a UK registered company, your registered postal address posted on the UK Companies House website as at the date of the notice, and for email notices, at each and all of the following email addresses identified in your ITT response under Part 1, section 2 'Contacts' (in each case as amended by you in accordance with Condition 32.5):-

    - 32.3.2.3 Person responsible for management of the contract value (both addresses if more than one was provided by you in your response).
  - 32.3.3 For hand delivered and postal notices to you where you are not a UK registered company, your postal address set out in our award letter to you for this MA Contract or for email notices at each and all of the following email addresses identified in your ITT response under Part 1, Section 2 'Contacts' (in each case as may be amended by you in accordance with Condition 32.5):-

    - 32.3.3.2 Contact to discuss proposal/Alternate Contact; and
    - 32.3.3.3 Person responsible for management of the contract value (both addresses if more than one was provided by you in your response).
- 32.4 Where you are not a UK registered company, you may only change your postal address for service of notices by serving a notice on us confirming the change of address, in accordance with this Condition 32. For email addresses, you may change the email addresses set out in your ITT response Part 1, Section 2 'Contacts' in accordance with Condition 32.5.
- 32.5 Where you wish to amend any contact information set out in your ITT response under Part 1, Section 2 'Contacts' you must email your SDS Contract Executive with the updated details. Such details shall be deemed to be effective from the day occurring 5 Business Days after the date of receipt of the email by SDS, or sooner, where SDS proactively acknowledges receipt. Any auto generated email response from SDS (e.g. an out of office response) will not constitute a proactively acknowledged receipt.
- 32.6 We shall not require to send any notice to any person or position to the extent that any information in Part 1, section 2 'Contacts' provided by you in relation to that person or position is missing, incomplete, inaccurate or has not been updated in accordance with the terms of this Condition 32.

### **33 General**

- 33.1 No failure or delay by you or us to exercise any right or remedy provided under the MA Contract or by law shall constitute a waiver of that, or of any other right or remedy nor shall it prevent or restrict the further exercise of that or any other right or remedy. No single or partial exercise of such right or remedy shall prevent or restrict the further exercise of that or any other right or remedy.
- 33.2 If any provision or part-provision of the MA Contract is found by any court or other authority of competent jurisdiction to be invalid, illegal, ineffective or unenforceable, or is suspended or the subject of an equivalent order, that provision or part-provision shall, to the extent required, be deemed not to form part of the MA Contract and you and we shall each use reasonable endeavours in good faith to modify the MA Contract so that the intent of the MA Contract can be legally carried out.
- 33.3 Except to the extent expressly stated otherwise in these Conditions, any rights, remedies and/or stated consequences provided under the MA Contract are in addition to, and not instead of, any other rights or remedies provided under the MA Contract or provided by law. Each remedy or consequence may therefore be applied alongside any other remedy (or remedies) available. If either you or SDS applies any one remedy, that shall not be deemed to be a decision to apply that remedy to the exclusion of other remedies that may be available.
- 33.4 Unless it expressly states otherwise, the MA Contract does not give rise to any rights under the Contract (Third Party Rights) (Scotland) Act 2017 to enforce any term of the Contract.

## **34 Entire Agreement**

- 34.1 Except to the extent any provision contained within the MA Contract clearly states otherwise the MA Contract constitutes the entire agreement and understanding between the parties in respect of the matters dealt with in it and supersedes or cancels out any previous agreement between the parties in relation to such matters;
- 34.2 You agree that in entering into the MA Contract you do not rely on, and shall have no remedy in respect of, any statement, representation, warranty or undertaking (whether negligently or innocently made) other than as specifically stated in the MA Contract.
- 34.3 Nothing in this Condition 34 shall operate to exclude liability for fraud or fraudulent misrepresentation.

- 35.2 You will use only approved programme names in communications with targeted Apprentices and actual Apprentices in relation to the MA Programme. You are not permitted to vary the programme naming conventions or use independent branding.
- 35.3 You may only use the SDS branding, trademark and other intellectual property rights for the purposes of the MA Contract and shall not use any of our branding, trademark or other intellectual property after the termination or expiry of the MA Contract.
- 35.4 You must supply case study information if requested by us at any time during the period of the MA Contract.

## Appendix 4 - Information Security Policy

### SDS Information Security Policy for NTP Providers

#### Background and Purpose

The purpose of this document is to outline the required behaviour of Providers when using the Skills Development Scotland (SDS) IT systems and handling SDS's personal data. The rules are defined to protect the interests of SDS, the organisations contracted to deliver National Training Programmes on behalf of SDS and the Apprentices. The intention is not to impose intrusive constraints that are contrary to our established culture of openness, trust and integrity, which SDS recognise as essential contributors to the success of SDS. Information Security is committed to protecting the operation and reputation of SDS in fulfilling its role as the catalyst for real and positive change in Scotland's skills performance. This document applies to all National Training Programme information processed by and on behalf of SDS.

#### Responsibility

All organisations contracted to deliver National Training Programmes are responsible for implementing, enforcing and adhering to the provisions of this policy.

All contract signatories are responsible for ensuring this policy is adhered to.

All company employees are responsible for ensuring visitors are also aware of this policy and are supervised appropriately.

#### Policy

Any Provider in breach of this policy will be in breach of the Provider Contract with SDS and may have their contract terminated.

#### Policy Statements

##### 1 SDS IT System Access

- 1.1 The SDS IT systems are accessed using your own individual SDS login id and password. Do not leave clues or evidence of passwords near to your computer. Encryption passwords must comply with the password complexity listed below. Passwords should be minimum of 8 characters and include at least 3 of the following:
  - Capital letter
  - Small letter
  - Number character
  - Special characters (?\$%&\*)
- 1.2 Using another person's login id is not permitted under any circumstances.
- 1.3 All SDS IT systems require the use of Multi Factor Authentication (MFA). SDS requires all Providers to use Microsoft Authenticator App for Multifactor Authentication. The Authenticator App is available from the Android Play Store and Apple Appstore. This relies on additional security of a separate device / system such as a mobile phone or email account. In the event that the mobile phone that you have used for MFA is compromised or lost you must notify SDS immediately .
- 1.4 Passwords must not be saved on any login screen, e.g. do not tick 'Save Password' or 'Remember Me' options if these appear.
- 1.5 Never leave a logged-in computer unattended when using SDS IT systems. Use the Windows (or operating system equivalent) 'Lock Workstation' facility (Windows key + L) or logout.
- 1.6 Protect against accidental compromise of SDS and Apprentice information; ensure information cannot be observed by unauthorised people.
- 1.7 Deliberate, unauthorised entry to SDS IT systems, entry of false data and unauthorised changes to information are strictly forbidden.

- 1.8 Providers must report all security incidents. In the first instance please contact your SDS assigned Skills Investment Advisor immediately who will ensure the correct handling of the incident.
- 1.9 Data extracted or originating from SDS IT systems must be encrypted or transferred in a secure manner when forwarding to SDS.
- 1.10 Providers must promptly inform SDS if they no longer need access to SDS systems.
- 1.11 Providers are required to comply with the terms of the User Access arrangements in place between them and SDS.

## 2 Electronic Data Transfer – Mandatory Data Encryption

- 2.1 Data Encryption is a mandatory requirement of SDS where personal data is being transferred from and to third party organisations including Providers. **All data transfers between SDS and third parties must use 256 bit AES encryption to encrypt files.** There are various ways this can be achieved including: using the *encrypt with password* option within MS Office packages (Word and Excel) for individual files; and the 7-Zip package for encrypting pdf documents or several files at the same time.
- 2.2 At the start of every contract year, SDS issues an encrypted password to all Providers which must be used when exchanging information between Provider and SDS and SDS and Provider. Each data transfer will be to an individual's email address by means of an encrypted file, as specified in 2.1 above, using a shared encryption password issued to the Provider by SDS. The password must not be transmitted by the same means as the encrypted data file. For example, if the encrypted data file is sent by email the password should be sent by instant message, text or by telephone call. Data transferred back to SDS must also be encrypted and follow the same process as set out above. If encrypted files cannot be accessed or are not available, then the Provider must inform their SIA immediately. If the Provider cannot transfer data to SDS electronically and can only use hard-copy documents. All hard copy documents must be posted by using double envelopes.
- 2.3 The provider must ensure that any portable devices, such as Laptops and Tablets, which are used to store Apprentice's personal information are encrypted.
- 2.4 It is the responsibility of the Provider to provide their own copy of the necessary encryption software.
- 2.5 **If a provider in their own specific circumstances cannot access a file with the level of encryption specified in 2.1, they should make their SIA aware immediately so that an alternative means of secure transfer can be arranged. Any exceptional arrangement should only be used upon SDS' prior approval in writing.**

## 3 Handling Hardcopy Documents and Electronic Media containing Personal Information

- 3.1 Providers are required to collect and store both personal information and special category personal information as defined by the Data Protection Act (2018). This information must be securely protected and handled in line with UK Data Protection legislation to avoid the risk of data loss and unauthorised exposure.

## 4 Collecting

- 4.1 Personal information, and particularly special category information must only be gathered from Apprentices in an environment that respects their privacy and limits the opportunity for the trainees to be overlooked.

## 5 Processing

- 5.1 When a Provider processes an Apprentice's personal data it should be done in a way to limit the opportunity for unauthorised access to the information.
- 5.2 Providers should consider protecting Apprentice's information from unauthorised viewing by:
  - observing a clear desk policy;
  - handling hardcopy in a non-transparent folder (opaque);
  - Ensuring that documents are not left at printers and copiers and

- Ensuring only authorised Staff have access to the information.

## **6 Storage**

- 6.1 When not in use hardcopy files with personal information must be stored in lockable filing cabinet or drawers.
- 6.2 At the end of the working day the filing cabinets and drawers containing the Apprentice's personal information must be locked.
- 6.3 Any files containing personal information held electronically must be held securely and in compliance with Data Protection Legislation.
- 6.4 Providers must ensure that, for both hard copy and electronically stored personal information, only colleagues who have a legitimate business purpose to access the personal information of apprentices can do so.

## **7 Sending**

- 7.1 The preferred option for transferring personal information between parties is to use encrypted electronic communications as defined above in the section *Electronic Data Transfer – Mandatory Data Encryption*. If this is not available hardcopy documents can be exchanged either be posted using double envelopes or hand delivered.

## **8 Disposal**

- 8.1 Prior to disposal of information providers should check the retention and archiving requirements.
- 8.2 Hardcopy documents that are no longer required should be shredded or disposed of via a confidential waste contractor.
- 8.3 For electronic storage media these should be destroyed or overwritten sufficient that the data cannot be retrieved.
  - CD/DVD's shredded
  - Memory sticks – destroyed or formatted in a way that data cannot be recovered.

## **9 Personal Data Breach**

- 9.1 Any Personal Data Breach must be reported immediately to SDS in accordance with Condition 7 of Appendix 3.
